WEDN'SDAY SORNING, APRIL 16,1873 VIRGINIA POLITICS. The political caldron begins to boil in Virginia. The aspirants are heaping of public benevolence. What struck us fuel under the pot, and soon the fires particularly in the proceedings of the will be flaming and the waters bubbling. The distinctive tentures of the approach the erection of an insane hospital was ing canvass in Virginia are that it involves the election of a legislature which the poor-house, with orders to do the is to choose a United States senator in thing and pass over the bill for judgment the place of John Lewis, and the enact- at the next quarterly term! Now, it is ment of a free railroad law which shall a grave thing to undertake "suitable in this city, through the excavation of take the building of railroads out of the buildings" for thirty or forty lunatics. take the building of railroads out of the hands of a few monopolists, and give ingress to the northern companies now stands by "suitable buildings." If they seeking admission into the State. The latter issue, particularly, has a tendency to demolish all party lines, and particularly influences the conservatives. The latter claim that on the least sum required to begin with, if they design to make it a permanent the dication of a superabundance of metal is in the drain in rear of the penitentiary, on the drain in rear of the penitentiary, and upon the western boundary line of the cairo and Fulton railroad. Since the first discovery of this vein, about a hundred pounds of fell one hundred thousand short a place of confinement, a comfortable the town, from Jacobi's beer-garden to Personal considerations in the nomination for governor will also enter largely into the contest. The ex-Confederates We do not mean by anything said to into the contest. The ex-Confederates are emerging from their obscurity, and censure any one, for we do not know Cairo and Fulton road, to the their names are being generally used for but that the court concurs with us in our GREEN AND HINKSTON SETTLEMENTS, various leading positions. R. M. T. opinions. They certainly have allowed in the northern portion of the county-Hunter, who was chairman of the senate finance committee prior to the war, meet all the demands in the way of an Green's, an old California miner is ra is most prominently mentioned as the insane hospital. No limit is placed on ling about a hundred pounds of blue Conservative candidate for United States their outlay for it, and no dictation as quartz ore daily. And the miner, "old senator, while Ex-Confederate Commisto any plan they may adopt, except as uncle Johnny," predicted that sioner Ould seems to stand the best to location, and that may be well chance for the gubernatorial nomina-tion. But the candidates for governor are numerous. Among the other names suggested are the following: Ex-Governor William Smith, of Fauquier, who served in the federal congress for a number of terms; Colonel R. E. Withers, ber of terms; Colonel R. E. Withers, former editor of the Lynchburg News, nored in a few years. They are sensible of service to the hundreds of people that who served with distinction in the con- and practical men, and we but utter the will engage in a search for federate service; Hon. John Goode, of sentiment of the community when we the Norfolk bar, and an ex-member of assure them that they will be comthe confederate congress; the present mended by all and heartly supported briefly describe the outward appearance briefly describe the outward appearance Lieutenant-Governor, John L. Marye; in their efforts to give us one monument of the Cairo and Fulton mine first, Hon. Thomas H. Bocock, of Lynchburg, ex-member of congress, both at Wash-selves and a lasting blessing to the most water-level of "its surroundings," and ington and Richmond; General James sadly-stricken of our fellow mortals. L. Kemper, who figured prominently in General Pickett's famous charge at Gettysburg; General James A. Walker, Hon. J. R. Tucker, ex-attorney-

general of the State. The Republicans are split up between the railroad, whose nomination is said to be favored by President Grant. The strife From the Searcy Record. between the friends of these aspirants is decidedly bitter. The friends of Wickhis opponents on the question of a free railroad law; but it is probable that these troubles will be harmonized in both parties, and a fair trial of strength had be-tween them. The State will be stumped from one end to the other, and from present indications the contest striking the parapet wall of R. J. Price's We notice that the Radicals are urging their favorites on account of their excessive loyalty, and with a slight change of words—"Rocka-"Rocka-" that the friends of some of the Conser- by baby upon the house-top." had cherished the hope that the counsailed, and Union men who would gladly speedily be repaired. At the time the have supported the regular nomi- bent was carried away there were fiftyhis Union record was assaulted.
